Outstanding Performance in CBSE 12th Grade Board Exams:

In the Class 12 Board Exam of 2023, **Shreyas Karna** distinguished himself as the school's top performer by achieving an impressive score of 93%, showcasing his dedication and excellence in academics.

MINDFUL COLLABORATION

Through a dynamic collaboration with organizations such as STEAM classes, Furtados Music School, Mindler Assessments, and The Teacher Foundation Workshop, the school has created a vibrant and multifaceted learning environment. This unique partnership empowers students to explore their passions, whether in the fields of science, technology, arts, or music, while also guiding them in making informed career decisions.

STEAM Classes

STEAM (Science, Technology, Engineering, Arts, and Mathematics) Lab was introduced to encourage students to explore a diverse range of subjects in an interdisciplinary manner. These classes not only promoted a deeper understanding of these core disciplines but also nurtured creativity and critical thinking, preparing students for the complexities of the modern world by integrating science, technology, engineering, arts, and mathematics in their education.

Music School

Furtados School of Music provided students with a platform to discover and develop their musical talents. Through these classes, students could explore various aspects of music, from playing instruments to understanding music theory and composition. The program aimed to instill a lifelong passion for music and nurture the talents of budding musicians.

Mindler Assessments

Mindler Assessments are a valuable tool for students of Grade 8 and above seeking insights into their interests and strengths. By helping students gain a deeper understanding of their aptitudes, personality traits, and career preferences, these assessments assist in making informed decisions about their future career paths. This guided approach aimed to reduce uncertainty and enhance career satisfaction.

The Teacher Foundation

TTF Workshops have been designed to empower educators by enhancing their teaching skills and keeping them updated on the latest pedagogical techniques. Teachers gain a deeper understanding of innovative teaching methodologies, effective classroom management, and strategies for engaging students in meaningful learning experiences. They are aimed to equip our teachers with the tools and knowledge necessary to inspire and educate the next generation.

Our kid is studying since last year. We are highly satisfied towards the care of our child, multiple activities, and education at the school. - **Father of Rinaav Das (Gr - 1)**

CBSE EAST ZONE SWIMMING COMPETITION 2023

We hosted the CBSE East Zone Swimming Competition 2023, from 19th to 22nd Oct. The esteemed Chief Guest, Smt. Sarojini Lakra, emphasized the importance of sports in shaping young minds in her motivating speech. As the competition unfolded, we witnessed intense swimming battles across various categories and age groups, showcasing the dedication and skill of the young athletes.

The closing ceremony celebrated the achievements and sportsmanship displayed throughout the event, with winners honored and the commitment to fostering young talent reiterated. The CBSE East Zone Swimming Competition 2023 at Taurian World School proved to be a resounding success, leaving a lasting impression on the participants and spectators alike.

EQUINES 2023

Student riders stunned spectators with their dazzling skills at the Annual Equestrian Show "Equines 2023" held at the school premises on Saturday 21st January 2023.

Shri Mohan Singh Dorai (IRS) – Additional Commissioner CGST Appeals was the Guest of honor who graced the occasion.

Be it flag salute, emergency dismount, fun games, reverse riding, hanky picking or gymnastics on horseback, the students reveled in their skills. The comfort and courage with which they handled the horses and proved their skills on the saddle, exhibited how well they had been coached to perfection

Thank you so much for taking care of my child. My gratitude to the entire team for making her feel homely and taking care of as her home. - **Father of Akshita Khatri (Gr - 8)**

CBSE ARCHERY CLUSTER

Congratulations to our grade VII students **Aadhya Rastogi, Kuhu Sinha, and Manshila Hembrom** for securing the 3rd position U-14 Recurve (Girls) category in the CBSE East Zone Archery Championship 2023, held in Jamshedpur.

JR. NATIONAL BASKETBALL CHAMPIONSHIP

Sunanda Saru, a Grade 7 student of Taurian World School has been selected to participate in the highly esteemed 48th Sub-Junior National Basketball Championship. The championship is scheduled to take place from 3rd to 9th August in Puducherry.

Her selection for the national-level basketball tournament comes as a well-deserved recognition of her exceptional skills, relentless dedication, and outstanding performances on the court. We are proud of her.

INTRAMURAL SPORTS

Inter-House Intramural Sports commenced with the adrenaline-pumping Inter-House Swimming Competition. The event witnessed the active participation of senior and middle wing students from all four houses: Unicorn, Griffin, Dragon, and Phoenix. The students displayed exceptional athleticism and sportsmanship, making it an exhilarating day of competitive swimming.

INVESTITURE CEREMONY

Investiture Ceremony 2023 marked the official appointment of the new Student Council Members for the Academic Year 2023-24, showcasing the school's commitment to fostering leadership qualities in its students.

The student council members have embarked on a journey of growth, and the school is confident in their ability to excel in their respective roles.

“Taurian World School is the best school which I have ever seen in my life till now. It is best not only its infrastructure but also in teaching staff, their approach of teaching and above all their positive and enthusiastic approach to each and every child. - Father of Dabeet Singh (Gr - 6)”

Interschool Science Exhibition

On 21st January 2023, Saturday, Taurian World School in association with Taurian Guidance Cell organized an Inter School Science Exhibition in its school campus for Middle and Senior School.

The exhibition themed "Application of Science, Technology & Mathematics for the Betterment of Society" witnessed participation of 10+ schools with around 65 participants in total from in and around Ranchi District.

Interschool Table Tennis Championship

Our girls' team won a silver medal in the Ranchi district Inter School Table Tennis Championship held at Guru Nanak Higher Secondary School Ranchi. In addition, **Sharon Purty** of Class 6 won a silver medal in the individual event (u-13).

The girls' team performed exceptionally well in the tournament, showcasing their skills and sportsmanship. The silver medal is a testament to their dedication and hard work.

ANNUAL SPORTS MEET

12th Annual Sports Meet on February 4, 2023, showcased a day of spirited competitions, alternative energy displays, and enthusiastic athletic events

I am very happy for sending my child in this surrounding. Teachers and non teaching staff everyone is very good and really this makes me feel my child is safe. Her confident in this 1year has improved a lot.

- Mother of Suhaliya Saanvi (Gr - 1)

PRIMARY SCHOOL EXHIBITION

Taurian World School is thrilled to announce the overwhelming success of its Primary School Exhibition, which took place in July 2023 at the school campus. The event was an exceptional showcase of our young learners' talents, creativity, and academic achievements through the ongoing year 2023-24. We extend our heartfelt appreciation to all the parents who graced the occasion, making it a truly inspiring and memorable event.

The Primary School Exhibition, held at the Academic Corridor provided an extraordinary platform for students to display their learning journey through interactive displays and projects. The exhibits were a testament to the hard work, dedication, and progress of our students, reflecting their growth and development during the academic year.

MIDDLE SCHOOL PTM CUM EXHIBITION

Taurian World School unveiled its dynamic approach towards interactive learning and fostering parent-teacher collaboration with a dual event: the PTM titled "We Connect" combined with a Science Exhibition themed "Journey of Endless Discovery - Steam for Life-time."

Focused exclusively on the bright minds of the middle school, this distinctive initiative brought together students of classes 6 to 8 along with their parents to the school campus for an enriching day of dialogue, exploration, and scientific marvel.

Anchored in the STEAM philosophy, the Science Exhibition illustrated the harmonious blend of academic knowledge with artistic imagination. One of the most riveting displays was the detailed model of Chandrayaan 3, providing viewers an intricate look into India's lunar exploration endeavors.

I would like to extend my gratitude to the management of TWS to take care of my children. Your commitment and genuine concern for Ashish's well-being have not gone unnoticed. - **Father of Ashish Kumar Singh (Gr - 8)**

ANNUAL ADVENTURE CAMP 2023

In order to instill essential virtues among Taurianites, TWS organised a two day Annual Adventure Camp for the parents & students in the month of February 2023. Through adventure activities like The Burma Bridge, Commando Net, Zorbing Ball, Zip Lining, Free Fall, Rapelling etc. students were encouraged to think out-of-the-box, empowering them with skills like leading and working in a team, while instilling in them a healthy spirit of competition.
