We the family of Taurian World School
Bow our heads to pray,
For blessings to be showered on us
And divine protection in every way.
Sow the seed of goodness
in every Taurian heart.
Let inspiration and wisdom
enlighten each new path.
Fill each Taurian with spiritual values of a kind
That enables understanding
of the problems of mankind.
Be the wind beneath our wings
As each Taurian soars to succeed,
Valour, Honesty, Loyalty and Zeal
is the armour that we need
May tranquillity, peace and justice
Be the fragrance in our campus air
Enabling Taurians to stand - heads held high,
As we live to dream and dare!

वैसे हमको चमकाना
जैसे फूलों को महकाया
वैसे हम को महकाना
जैसे चिड़ियों को चहकाया
वैसे हम को चहकाना।

दूर करो, मन से अंधकार
हे ईश्वर, हम में भर दो प्यार
हम सब बच्चे हैं नादान
हे ईश्वर, दो हम को ज्ञान
हम सब बच्चे हैं नादान — २ ओ!

"You Raise Me Up"

When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

We stand today oh lord before you;
each restless heart beats so imperfectly;
but then you come, and I am filled with wonder;
I thank you Lord in my simplicity.

“God Will Make A Way”

Chorus : God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me
He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

By a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade but
His Word will still remain
And He will do something new today

Chorus : God will make a way...

When you've prayed every prayer that you
Know how to pray
Just remember the Lord will hear
And the answer in on its way
Our God is able, He is mighty, He is faithful

And He never sleeps He never slumbers
He never tires of hearing our prayer
When we are weak He becomes stronger
So rest in His love and cast all of your cares on Him

Do you feel that the Lord has forgotten your need?
Just remember that God is always
Working in ways you cannot see
Our God is able, He is mighty, He is faithful

CHAIRMAN'S MESSAGE

Dear Parents,

As Taurian World School completes yet another year (2018-19), I am filled with pride and happiness, and express my gratitude to God Almighty for helping us come full circle. Indeed, it has been an eventful journey since the inception of the school back in 2008. Indeed, Taurian World School shines brightly among all other top schools in the country. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children.

With the vision of my dedicated commitment and devoted endeavors of providing innovative quality education to the budding generation, I have institutionalized Taurian World School that is pioneering a pedagogy focusing entirely on nurturing and developing the skills, aptitudes as well as attitudes, needed for a meaningful existence in the 21st century. Our School is deeply committed to an all-round education that focuses on every aspect of the child's personality development. The personality that each individual possesses integrates within it the unlimited capabilities of the body, mind and spirit in the most unique way and gives the concerned individual not only an identity based on his or her talents and attributes but also the power to respond creatively to the boundless joys of life.

Our honorable ex-president Shri Abdul Kalam quoted, 'Educationists should build the capacities of the spirit of Inquiry, Creativity, Entrepreneurial and Moral leadership among students.

Taurian World School Ranchi stands committed to achieving high laurels of not only just providing high scholastic scores but also enhance co-scholastic skills amongst its students so that they may evolve into Global Leaders of tomorrow.

Let us all, dear stakeholders, join hands and create a positive global environment of Holistic growth and sustainable development.

" We wish to bequeath two things to our children. The first one is roots. And the second one is wings"

Amith Bajla
Chairman

Dear Parents,

"For yesterday is but a dream ,
And tomorrow is but a vision
But today well lived
Makes every yesterday a dream of happiness
And every tomorrow a vision of hope"

It gives me great pleasure as the Principal of Taurian World School, in extending to all our students, faculty and staff, and our greater school community a warm welcome .

To my mind an educational institute is not just about bricks, mortar and concrete, but about building character, enriching minds and about varied experiences that lasts a lifetime.

TWS is a school rich in a tradition of excellence. Throughout its ten plus years of service to the community, TWS has consistently met and exceeded the educational needs of a diverse student populace. Our greatest assets in furthering this legacy have been our students and educators whose commitment and dedication to TWS is evident daily in the value they together add to this rich heritage.

As a principal, I can assure you that our school will continue to avail all the resources needed to further the cause for even greater student achievement. Offering our students the latest in curriculum enhancements in a safe and state of the art learning environment will continue to serve as our primary focus throughout their school years.

We are sincerely committed to educate and bring up an emerging generation who possess a global perceptive and will be positive contributors to the community as a whole.

It is in the spirit of meeting this challenge, that I invite all of our parents to partner with our students, their teachers and administrators in helping to pave the path to what I believe are the endless new horizons of greater student achievement. I personally look forward to seeing all of you at our school functions throughout the year.

Dr. Subhash Kumar
Principal

The school has adopted the following general rules to foster a secure and productive environment. The following rules reflect the school's policy on student appearance and behaviour.

General Standards Statement

The attention of students, parents and guardians is called to the following 'General Standards Statement' adopted by the Board of Governors to which students must adhere and the Principal will insist upon. This should be read in conjunction with School Rules.

"Politeness, courtesy of speech and conduct as well as cleanliness of person and dress will be insisted upon. Students should realize that they are responsible to the school authorities not only for their conduct in the school but also for their general behaviour outside. Any reported or observed objectionable conduct out of school on the part of students would make them liable to disciplinary action. A pupil who fails consistently in the same standard may be asked to leave the school. Any student who is persistently insubordinate or is willfully mischievous or is guilty of malpractice in connection with examinations or has committed a serious act of indiscipline and/or misbehaviour or, who in the opinion of the Principal, has an unwholesome influence on his/her fellow students will be asked to leave the School."

School rules apply during term time and while students are travelling to and from school. The Boarding Handbook provides a separate list of Boarding House Rules.

All students are expected to read and learn the School Rules.

Students, parents and school share the responsibility for creating the best possible school setting. The school provides a quality staff and program to help student succeed in a complex world. Parents must be supportive of the student, and guide him/her in making good judgments. A student must respect himself, his classmates, the school staff and all school property. Taurian Almanac is published annually and provides a means of communication between the parents, teachers and children. Using this Almanac, the children will be able to keep track of the work they need to do, organize and plan their day to ensure improved performance. Teachers and Parents will be able to interact and monitor the child's progress. Also included in the almanac is a year planner, general instructions and information, and other relevant information.

This almanac is intended to provide information and to ensure effective communication between the school and home. Students are requested to bring this Almanac to school each day. If a student loses the almanac, the parents must purchase from the school a replacement after consulting the class teacher.

Scholastic Activities

Taurian World School holds that education is intended for the enrichment of the mind, body & soul. All our academic & non-academic planning and programming are tuned & designed keeping in mind the edifying needs of students whom we grow to remain '*Do kadam aage*' in every aspect of their lives.

Our teachers act as facilitators in the classrooms and extend the teaching beyond their four walls and make it more interesting and elucidative to students. The school blends the best of international pedagogies with that of Indian Syllabus & Curriculum. Individual attention is the cornerstone of our academic & infrastructure planning.

Homework

Parents are requested to take interest in the homework and assignments to be submitted by the students regularly as part of their training. Parents should also take the initiative to inspire and challenge their children to take their learning to a new level.

Conceding that at the primary school level, children need to play and interact more in order to grow and enjoy their learning, very limited home assignments are given to students of this age group.

Progressive Learning System

The school follows a system of holistic learning and regularly provides parents with an assessment of their child's academic progress, based on a comprehensive system of tests, examinations, grades & reports to parents in PTMs.

Admission & Attendance

Pupils are usually admitted in the school only at the beginning of the session i.e. in the month of April. A student, who has previously attended a recognized school, cannot be allowed admission in this school without a school leaving certificate from the institution last attended.

Absence

1. Students are responsible for making up all work missed by them.
2. No students will be allowed to step out of the gate without the gate pass signed by the academic coordinator or class teacher.
3. No leave of absence is granted except on medical ground.
4. Repeated absence without any prior information or valid reason for more than six consecutive days renders the students off the rolls, re-admission may be granted only on payment of fresh admission fee.
5. Attendance is compulsory on the last working day and the reopening day of each vacation. Absence for more than three days immediately after a vacation renders the student liable to have his/her name struck off the rolls.
6. It is compulsory for the students to obtain 75% attendance in the academic year to make them eligible to sit for their final examination. The percentage however can be relaxed on medical grounds, as per CBSE rules and regulations.
7. A student returning to school after suffering from an infectious or contagious disease should produce a medical certificate permitting him/her to do so.
8. It is compulsory for all students to have a diary note duly signed by parents on joining after leave of absence.
9. Students to follow the school timings. Anyone reporting late will be sent back home.

Requirement of Attendance for Internal Assessment in the final CBSE Examination

1. No Student shall be eligible to take the Senior School Certificate Examination conducted by the CBSE Board unless he/ she has completed 75% of attendance counted from the opening of XI & XII to the first of the month preceding the month in which the examination commences in the internal assessment.
2. Shortage of up to 15% only may be condoned by the Chairman of the CBSE Board on Medical Grounds, supported by a Medical Certificate from a registered medical officer not below the rank of an Assistant Surgeon, along with the recommendations of the Principal.

Assessment

In an academic year, the school holds two sets of examinations along with the 4 cycle test. The combination of grades and reports serves to assess the progress of the student.

House System

There are Four Houses in the School: Dragon, Griffin, Phoenix, and Unicorn. At the time of admission the student is allotted his/her house.

Each house is headed two students known as House Captains. A member of the staff assisted by several other teachers (tutor) acts as the House warden. Points are awarded to students throughout the year for extracurricular activities, games and sports. At the end of the year, the house gaining the highest number of points is awarded the trophy.

Any student representing a house that he/she doesn't belong to, will be disqualified.

The School has zero tolerance policy for plagiarism. Students found cheating in any assessment/evaluation/examinations will be marked Zero for that assessment. Students absent from an examination will not be re-examined except in the case of a serious, verified medical condition. In case of unexcused absence from examination, students will be excluded from prizes and awards.

Parent Teacher Meetings 'CONNECT'

Periodic Parent Teacher Meetings are held in the school. All parents are requested to remain present & take pro-active part in knowing the progress of their child. Parents can also meet the class teacher with prior appointment to discuss their child's progress. It is the Parent's responsibility to attend regular PTMs and keep herself/himself updated of the child's progress.

Identity Cards

Students are issued with Identity Cards for security purposes as well as access and borrowing rights to the School Library. Cards are issued by Administration. Lost or stolen cards should be reported to the Houseparent, Class teacher, or the Principal as soon as possible. There is a fee charged for replacement cards.

Communication

Parents wishing to meet with the school staff are requested to seek an appointment by email, telephone or through the Almanac Parents are requested to mention in all their communication the name, admission number, class and division of the students.

Parents should acknowledge receipt of each circular issued by the school by signing on the respective section in the Almanac. Wherever the circular requires a response from the parent, the same has to be completed and returned by due date.

Parents are requested to read the notes written in the Almanac by the teachers and write their own remarks for the information to the teachers.

Parental Responsibilities

1. Parents are encouraged to actively participate in class-wise parent-teacher meetings and other functions to show interest in their child's learning. We expect parents to support the discipline of the school and its policies. Parents may speak to the class teacher as the first contact.
2. Any change of contact details of parents or local guardian must be immediately communicated to the school administration in writing.
3. Meetings with school's teaching or administrative staff can be held only with prior appointment by telephone/email. Visits during school days without appointment should be avoided except in cases of extreme urgency.
4. Parents are requested to respect the fee payment guidelines and remit fees on time as per applicable fee structure.

NEW INITIATIVES

LITERARY QUEST

The primary aim of the Literary Quest is to foster a love for literature and writing and challenging students to read every day because "Reading Accelerates Success".

The Annual Literary week is an important event in the Taurian World School's Annual calendar. It has established itself as a major literary event and has developed considerably since its foundation. It has delighted the children every year and has had a profound impact in creating an interest and developing a rich reading experience of books. A number of activities are conducted at various levels. The grand finale showcases the enormous talent, the students of our School have.

NATIONAL CONFERENCE

This was inaugurated to give the students a chance to bring research findings to practitioners. This research based learning facilitates the students and helps them in learning. The National conference also gives information of what others are doing which inspires research ideas of their own and will expose them to different styles of presentation. As career advances, they'll also learn that even though listening to the talks is extremely valuable, hallway conversations can be even more fruitful.

NATIONAL SCIENCE EXHIBITION

Education does not simply mean the ability to read and write, it is a wide term used to describe the complete process of development. Education in today's scenario aims at the holistic development of the children. The aim of this holistic development is only achievable with the pragmatic approach to education. Pragmatic approach imparts learning by doing and experiencing things. That is the reason behind our launch of National Science Exhibition, Conference etc which are the mediums of wholesome development of the students in schools. NSE was inaugurated to enhance the student's knowledge and making learning a fun experience where it is comparatively easy on the part of the teacher to teach and light for the students to learn new things very easily in a better way. Science exhibitions like this prove to be a great platform for students and for the presentation of their talent. It is very important in fact the most important need of the hour to develop the interest of students in science and technology for a better future and sustainable development of the society.

TAURIAN EQUESTRIAN CENTRE

TEC provides an opportunity for the students & also the parents to learn horse riding skills. They can rejuvenate the mind, body and soul in our spacious campus and feel the adrenaline rush when the -

-hoofs hit the ground. Learning to control and care for an animal much larger than ourselves can have a profound effect on one's confidence and is one great feeling. Research shows that horse riding develops fitness and motor abilities, builds self-esteem, improves cognitive skills yet fun to learn.

TAURIAN ARCHERY CENTRE

With the aim of developing mental health and focusing apart from physical health, we introduced the Taurian Archery Centre. Drawing a bow string places stress on the muscles of both arms as well as the chest, shoulders and back. Practicing archery on a long term will help our students to gain control over their balance, strengthen their arms, core, hands, chest and shoulders and last but not least make them learn to tune out all distractions and improve their focus.

DIAGNOSTIC TESTS

Taurian World School in coordination with its expert wing Taurian Guidance Cell created a milestone by starting a new initiative that can make a difference in Education through personalized learning and ensure that student learn with understanding. We believe that learning by understanding will not only be learning for life but will also help students to attempt their regular school exams in a better manner. As they will understand concepts through high order thinking questions (HOTS), answering direct questions from textbooks will be very easy for them.

SCHOLASTIC BOOK FAIR

In an endeavor to make reading fun for children, TWS along with Scholastic, have started to organize 'A Reading Fair' in the school premises every year. Our goal is to help our students develop the love for reading books and also to create a reading culture.

TAURIAN CENTER OF EXCELLENCE

Taurian World School launched Taurian Center of Excellence (TCE), a child centric program especially for the base level kids (Primary students) to hone their skills in all spheres of life which will be a learning for a life time for them. Through this programme, the students are introduced to various real-time learning experiences, like Organic Farming classes.
